

Prepare to be a business leader or entrepreneur.

Why Study at Rivier?

Our B.S. in Business Management degree prepares you to excel in today's global business markets.

Build Your Knowledge Base

Rivier's Business Management program provides the foundation to manage and operate an organization—from entrepreneurship, to corporate diversification, to innovation and globalization. You'll develop critical thinking, rational decision-making, team building, and communication skills as well as a solid business knowledge base.

Gain Real-World Experience

The curriculum focuses on experiential learning, having you apply what you've learned to real-world situations. As a Business Management major, you are required to complete one career-focused internship and encouraged to participate in others. Students often intern in sales, financial planning, sport, and marketing organizations. Internships provide practical experience that builds your confidence and your resume. Study abroad opportunities, clubs, and co-curricular events offer learning and leadership activities outside of the classroom.

Begin Your Career

Business Management graduates can pursue careers as:

- Account or client service managers
- Sales representatives and managers
- Loan administrators
- Retail store, office, and restaurant managers
- Marketing coordinators and managers

Advanced Degrees

Graduates are well prepared to pursue master's degrees in business administration, finance, organizational leadership, other related fields. Rivier's 4+1 program enables students to earn their MBA in just one year of full-time study after graduation.

Journeys of Transformation

Rivier University's core curriculum, titled *Journeys of Transformation*, aligns with the American Association of College & Universities essential learning outcomes. Coursework focuses on developing strong intellectual and practical skills for workforce success, and offers opportunities for service learning, servant leadership, and civic engagement to enhance leadership abilities.
