

Rivier University Health Services Policy on Immunizations

The following Immunizations must be documented and presented to Rivier Health Services prior to August 1 of each year by all residents and commuter students.

- 2 doses of Measles, Mumps, Rubella (MMR) or a positive MMR titer; an equivocal titer is considered negative
- Tdap within the last 10 years
- 3 doses of Hepatitis B or a positive Hepatitis B titer
- Meningitis ACWY (Menactra or Menveo at age 16 or later)
- Proof of 2 doses of Varicella Vaccine or a Varicella titer
- Titers must show positive immunization, equivocal is not accepted.
- Negative TB Screen within 6 months of the expected move in date or start of classes. If TB testing is required based on your screen, results of a negative IGRA test will be required.

Below is for resident students only regarding TB Test results

- Latent TB requires evidence of treatment recommended by the CDC to reside on campus.

<https://www.cdc.gov/tb/publications/faqs/pdfs/qa.pdf>

Highly Recommended Vaccine

- Meningitis B at age 16 or within 2 years of residency (If 23 years of age or younger)

Rivier University will consider a request for exemption only for the following:

Medical Necessity/Contraindication

- You must submit Rivier University's Required Immunizations Waiver Form signed by your medical provider and notarized. If the student is over 18 the waiver must be signed by the student.

Religious Objection

- You must submit a notarized copy of Rivier University's Required Immunizations Waiver Form. If the student is over 18 the waiver must be signed by the student.

Quarantine Policy

- In the case of an outbreak on Campus for which students are not immunized as required by the University, the Student will be required to leave campus until the New Hampshire Department of Health determines it is safe for the student to return. If the Student is quarantined from campus the Student is not eligible for tuition, room, or board refunds and may suffer academic consequences if class or lab attendance is necessary to meet course requirements.
